

EcoClean

Your Local Professional
Oven Cleaning Specialists

Dear Householder,

We are a family run business, we specialise in oven cleaning using eco - friendly cleaning solutions along with the power of **Steam**. All removable parts of the oven are cleaned in our van based heated water tank. The interior / exterior of the oven is cleaned by 100% biogradable cleaning solutions along with our professional **Steam** cleaning equipment.

The same cleaning method can also be used on:

HOBS - GRILLS - EXTRACTOR HOODS - BBQ'S

OUR BIO CLEANING PRODUCTS ARE ENVIRONMENTALLY FRIENDLY AND SAFE,
HAVE NO HARMFUL ODOURS OR FUMES. WE USE ONLY PROFESSIONAL
STEAM CLEANING EQUIPMENT
